of properties
for sale

Issue 204 • February 2008 • www.french-property-news.com • £3.99

PROPERTY GUIDES

- Market trends for 2008
- Properties under €100,000
- Renovation & building tips
- A home by the beach

*"My move to France
has been a dream
come true"*

**Among the vineyards and
châteaux of the Loire**

Bring your dream to life

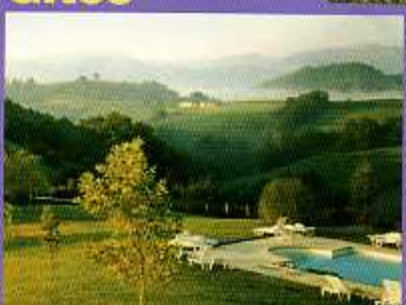

A home across the Channel could be closer,
cheaper and easier to find than you might think...

Charente

New flights to Angoulême **p44**

Gîtes

Making them work **p62**

Nice

Côte d'Azur capital **p100**

PLUS Expert legal & financial advice • real life experiences • and much more

The sinuous curves of this reproduction, three-section screen would make the perfect backdrop to a burlesque-style striptease – or perhaps a particularly glamorous way to partition a room or conceal an alcove.

Also available in a white and cream combination, the screen is gilded and distressed for an antique feel. The panels are lined with a green classical print, which would be suited to the most elegant of interiors or bring vintage glamour to a modern bedroom. (£1,485)
