Opulence and elegance are in abundance in the tableware ranges at Juliette's Interiors, where you'll find an array of unusual cutlery. Used for decorative purposes for many centuries, mother of pearl is featured in the alluring Parisian range, where its iridescence can be fully appreciated inlaid into sparkling stainless steel.

Juliette's Interiors offers a sophisticated selection of French reproduction furniture, lighting and accessories, which combine the best of classic and contemporary shapes and finishes to produce pieces that will make a design statement in any setting. What's more, a bespoke service is available on most of the boutique furniture,

allowing you to give these beautiful pieces your own unique and creative touches.

One subscriber will win Parisian cutlery from Juliette's Interiors worth £478, comprising four knives, forks, dessert spoons, teaspoons, hors d'oeuvres forks and butter knives; and a pair of serving spoons and salad servers.
