Win stunning kitchen furniture from Juliette's Interiors

A beautiful piece of freestanding furniture can really make a kitchen, adding character, charm and beauty.

Period House has teamed up with Juliette's Interiors to offer one lucky reader the chance to win a gorgeous Country Ash Belfast freestanding sink and unit.

The complete set has been designed and constructed by qualified craftsmen with a top quality finish. The emphasis here is on traditional farmhouse style, which is perfect for creating country appeal in the hub of your home.

Available with an oiled finish to enhance the grain of this beautiful timber, the unit comes complete with the Belfast sink and six drawers on the left-hand side with quaint iron pull handles. It also includes one central cabinet below the sink and, to the right-hand side of the unit, one drawer and a double fronted cabinet. These will immediately provide plenty of storage for your kitchen essentials and each door comes with its own gorgeous iron pull handle.

The complete unit measures 92cmH by 197cmW by 60cmD and it forms part of a larger complementary collection, which is available from Juliette's Interiors.

This is a great, stand-alone piece or it can be matched with other furniture, but there is no doubt that it is perfect for a truly rustic feel.
