LOOKING GOOD

To make any room look great, it's essential to get the right accessories. Designer **Patricia Renson** of the Harbour Studio in Arbroath highlights some fabulous items that would add that vital finishing touch. This week, she concentrates on champagne coolers.

FOR an elegant champagne bath try this Mauviel Copper one from Silver Leaf Wine Gifts. It is a delightfully sleek version made out of thick, high quality copper with brass handles secured by stainless steel rivets. Available at £299 from www.silverleafwinegifts.co.uk; tel: 01962 889 460.

THIS Ogee Black Bucket from Barrels and Bottles will go down a storm in a contemporary interior. Made from acrylic, it features a sloping rim line and gap-through handle. £15.32 from www.barrelsandbuckets.co.uk; Tel: 01246 453 399

ADD the finishing touch to an evening of entertaining with this large champagne bath by Juliette's Interiors. Its elegant ring handles and sleek nickel finish will look just the part.
